VISTAMEX Grand Opening in Parque Industrial AMISTAD Bajo

A grand opening ceremony attended by State and Municipal supporters and clients alike, marked the initiation of another injection molding operation for VISTAMEX. A Mexican company with an international footprint, VISTAMEX serves the growing needs of the automotive, electronic, and home appliance industries.

"We welcome VISTAMEX to El Bajío! The Ramon family and the entire AMISTAD Team is proud and grateful that VISTAMEX chose Parque Industrial AMISTAD Bajo as its home and construction partner in this beautiful 200,000 sq. ft. facility built to suit their unique production requirements. We know VISTAMEX will enjoy much success!" Marco A. Ramon, President of AMISTAD Real Estate.
