

# CELEBRATING 10 YEARS OF SANHUA IN MEXICO

Amistad joins in celebrating SANHUA's 10th anniversary in Mexico and SANHUA Holding Group's 40th anniversary. Over this journey, we've contributed to the expansion of 8 facilities and 1.6 million square feet of development. Here's to continued success and many more milestones ahead!

*“We are honored to be the home of SANHUA since 2014 and look forward to continuing our partnership with this great company. SANHUA was the first Chinese company to join Amistad, and through this valuable collaboration, we have grown together. They have connected us with other Chinese companies. Thank you, SANHUA!”*

**Edgar Ramon**  
President of Institutional and  
Government Relations at Amistad.

SANHUA is a global leader in HVAC&R components. They supply major manufacturers such as Panasonic, Daikin, Mitsubishi, and others, establishing strategic partnerships with leading refrigeration and air conditioning companies.
